**IT Professional I, II, or III
Position #0007**

The IT Professional position will work with a team to analyze, develop, implement, maintain and modify information systems and databases for enterprise level IT systems utilized by the Nevada Supreme Court and/or the Nevada Judiciary. Knowledge of SQL Server 2008-2016 and Windows Server 2008-2016 are required.

The position is located in Carson City, Nevada.

Education and Experience:

IT Professional I:

Bachelor's degree from an accredited college or university with major course work in computer science, management information systems, or closely related field and one year of progressively responsible professional IT experience relevant to the duties of the position which may include systems administration, network administration, database administration, applications analysis and development, and/or information security OR an equivalent combination of education and experience.

IT Professional II:

Bachelor's degree from an accredited college or university with major course work in computer science, management information systems, or closely related field and two years of progressively responsible professional IT experience relevant to the duties of the position which may include systems administration, network administration, database administration, applications analysis and development, and/or information security OR an equivalent combination of education and experience.

IT Professional III:

Bachelor's degree from an accredited college or university with major course work in computer science, management information systems, or closely related field and three years of progressively responsible professional IT experience relevant to the duties of the position which may include systems administration, network administration, database administration, applications analysis and development, and/or information security OR an equivalent combination of education and experience.
